

## 46 FT LITTLE HOQUIAM FIBERGLASS BLUE FIN TROLLER/CRABBER

### Memo To Interested Fishermen

**From:** Captain Doug Fricke - Retired

FOR SALE - Top of the line fiberglass boat with a reputation of the smoothest ride on the ocean. Ready to fish. Vessel has all the equipment and gear to troll for salmon/tuna. Also has a crab block and built-in pot pump to fish for crab. Easily modified to longline for halibut and black cod. Includes all the usual electronics including a Furuno sonar. Coast Pilot, Sat phone, and XM weather software are included. Oregon troll permit sold with or without the vessel. Vessel well maintained. Asking \$325,000.
